TESTIMONIAL VRKADE CANADA

Cops vs Robbers Free Roam game is a refreshing addition to wireless VR-based arenas. Exceptional character art, thought to detail, and enjoyable game-play. You play as either a cop or robber in an exhilarating shoot-out inside a bank vault! Setup is a breeze, the art is beautiful and the game-play is electrifying. Cops vs Robbers is a top performer in our arcade system.

ABOUT THE TEAM

The team consists of 6 Dutch VR enthusiasts. It's commercial manager is also the CEO of vresports.com, with 5 years of experience with multiple self-managed VR Arcades. With in-house developers who worked on multiple titles such as World of Diving and Arizona Sunshine and have traveled across the world installing LBVR solutions. Based on the experience gained from receiving over 300.000 customers and constant feedback from personnel, we created a game that's favorable for customers and operators.
